

Growth Through Marketing

At **IN PLAIN SIGHT MARKETING**, our clients know the power of marketing and public relations and understand their roles as key components to aligning business functions and achieving organizational goals and growth.

We are unique, very strategic and sometimes a little silly, but we are focused on our clients who work to make our community and region a better place to live, work and play. We are a woman-owned, family business with strong values and a deep passion for our work.

IN PLAIN SIGHT MARKETING is a marketing, communications, business development and public relations agency in Carson City, Nevada, and we're ready to start the conversation with you.

Stories need to be told

The best minds are open

Laugh and play – a lot – every day

Nobody ever went broke by giving

We've never met an idea we didn't like

Commit to growing strong communities

Compassion, commitment and consistency

Start at the beginning and work hard through the end

Do the right thing, for the right reason, at the right time, all the time
